POWERING YOUR INDEPENDENCE

Top Gun Mobility Windsor toilet/commode lift seat delivers a stable, safe, easy to use toilet transfer solution that restores an individual's ability to safely toilet in the comfort of their home. The 'sit to stand' motion is recognized as the most efficient way of getting to one's feet as it allows the application of the body's major muscle groups in the correct order. It mimics the rise motion of most "rise and recline" lift chairs so is a familiar movement for many people.
